Constitutional and Statutory Provisions

[The Kentucky Constitution, Amendments 169 through 182](#), establishes the Commonwealth’s taxing and assessment powers. The Kentucky General Assembly in Kentucky Revised Statutes, sections [132](#), [133](#), and [134](#) established the rules and procedures governing property tax administration, including the appeal process.

Commercial Property Assessment

The Property Valuation Administrator’s Office (PVA) is responsible for assessing approximately 23,000 commercial properties annually at fair market value.

The assessment date for real property is January 1st. The PVA estimates the fair market value by using reliable valuation methods, guidelines and resources. Three methods are considered when assessing commercial property; the market (or sales) approach, the cost approach and/or the income approach. The best method is applied with the help of a computer assisted mass appraisal (CAMA) system. To support fair market values, various data sources are reviewed and current market data is captured by collecting and analyzing valid sales (fair arms-length transactions), rental rates, expense rates, capitalization rates and construction costs, etc. When the PVA accepts a transfer as a valid sale, the sale price represents the property assessment as of January 1 following the year of sale. Current property characteristics are verified through field inspections and other reliable sources. Annual reviews are conducted in accordance with Kentucky Department of Revenue guidelines. Many factors can influence a change in property assessment from the prior year such as a change in property characteristics, a change in property use, a recent sale, or current market conditions, etc.

Conference Process

By law (KRS 133.120), property owners (or their authorized representatives) have the right to appeal their assessment each year during the annual open inspection period by beginning a Conference with PVA. A person representing a property owner before the PVA must present written authorization from the property owner which sets forth his or her professional capacity and must disclose to the PVA any personal or private interests he or she may have in the matter, including any contingency fee arrangements. Attorneys are not required to disclose the terms and conditions of any contingency fee arrangement. An authorized representative must be qualified as required by the Kentucky Department of Revenue and submit evidence of such qualification to the PVA Office at the time of the Online Conference. A list of qualifications approved by the department can be found [here](#).

After submitting a PVA Conference, any taxpayer who disagrees with the resulting PVA assessment may appeal that assessment to the Local Board of Assessment Appeals. The taxpayer shall appeal his or her assessment by filing in person or sending a letter or other written petition to the **COUNTY CLERK** stating the reasons for appeal, identifying the property for which the appeal is filed, and stating the taxpayer’s opinion of the fair cash value of the property. The appeal shall be filed no later than one (1) workday following the conclusion of the inspection period provided for in KRS 133.045.

YOUR ONLINE CONFERENCE MUST INCLUDE DOCUMENTATION THAT SUPPORTS YOUR OPINION OF VALUE.

Examples of supporting documentation are:

- A full appraisal of your property.
- Interior/exterior photos of your property.
- Your homeowner’s or commercial property owner’s insurance policy.
- Your listing contract if your property is currently for sale.
- Estimates of repairs.
- Original construction costs or costs of additions or improvements to your property.
- Documentation of recent comparable sales (not assessments) that are similar to your property in size, condition, location and other characteristics (sales should be within the last 2 years of the current assessment date) [Download Sales Comparison Form](#).
- Documentation of land characteristics that support floodplain, environmental contamination, deed restrictions, easements, etc.
- Lease contracts for rental properties
- Income and expense statements for the last 3 complete calendar years. If your Conference is based on using income-expense information, the provided income-expense forms **MUST** be completed and uploaded for a valid Conference. [Click here](#) to download the **income-expense form**. A tutorial on how to complete the form can be found [here](#).

SUPPORTING DOCUMENTATION SHOULD BE PREPARED PRIOR TO STARTING AND UPLOADED AT THE APPROPRIATE PAGE WHEN SUBMITTING YOUR CONFERENCE. Document types which may be uploaded are PDF, image files (preferably JPG), Microsoft Word documents, and Microsoft Excel documents. You may choose to mail your supporting documentation to our office within one business day following submission of your Online Conference.
